- One Amazing Find will offer your fine furnishings for sale on consignment in our retail store. The Consignor (above named) will receive 50% of the final selling price.
- We will display your items for a term of 120 days (approximately 4 months) unless otherwise arranged in advance. After 30 days, item sale prices are reduced by 15% from original price. After 60 days, item sale prices are reduced by 30% from original price. And after 90 days, item sale prices are reduced by 45% from original price. One Amazing Find is granted the right to offer any special pricing or deals at any time the items are on the floor for sale. Please allow up to 10 days from the time you drop off your consignments to the time they are on our floor and listed on our Web site. The 120 day consignment period begins when your items are listed on our website. In the event that consigned items are identified, in advance, as 'Artisan Items', the pricing will be fixed as agreed between the consignor and One Amazing Find and may be permitted, by mutual agreement, to remain in the store beyond the 120 day standard period. Initials:
- One Amazing Find has the right to photograph items being consigned and retain the images for use in any way that One Amazing Find requires or deems reasonable without consent of or consideration to any other parties including the Consignor.
- The selling price of consigned items will be established by One Amazing Find staff with the help of our pricing research systems. As a general guideline, consignment pricing is approx. 1/3 of original pricing, although it could be higher or lower based on condition, style, age, marketability, etc. If you do not agree with the pricing applied, and a mutual consensus cannot be reached, the consignor may withdraw their consignment items from this Agreement within 7 days of listing without penalty. These items must be picked up within 10 days following withdrawal or be subject to forfeit and disposal per section 9 below.
- The consignor acknowledges that One Amzing Find is not an antique shop, nor are any of the company's owners, agents, or employess professional appraisers, and we do not make any claims to knowing the market value of your antiques.
- Consigned items remain YOUR property until sold. If you wish to reclaim any unsold items before the consignment period ends (120 days from listing start), you may do so, and a holdback charge of 10% of the starting price will be assessed and payable by the consignor immediately upon pickup from the store.
- Checks for sold consignment items are ready to be picked up at the address above on or after the 15th day of the month following the month the item is sold. Unclaimed, lost, or stale dated checks will not be reissued. We will not call you to tell you your checks are ready. If you request checks to be mailed you must provide self-addressed envelopes with sufficient postage. Checks will not be reissued if lost in the mail or stale dated. If checks are not picked up or deposited or cashed after 6 months from date of issue, the consignor forfeits any claim to the subject payment and One Amazing Find may dispense the subject funds as it sees fit. As the consignor it is YOUR responsibility to monitor your account. If you would like to verify your account at any time, including the amount of current checks due, login as a consignor at www.OneAmazingFind.com using the consignor ID and password issued to you.
